Simpleton Voice: Clyde. There is no party like a Pac-Man Party! Pac-Man Party is a minigame game for the Wii, who recalls Mario Party. "30 anniversary of Pac-Man". Google Doodle, May 21, 2010. Each ghost has a different attack strategy: for example, Blinky is sometimes called shade because he moves faster. Battle of bosses: one in each world, activated by passing through a certain area a certain number of times. It is also the first time that the four iconic ghosts are given distinctive designs to differentiate them instead of being simple palette exchanges between Sä. Cookie: "The cookies of greatest flavor ..." Ink: "Are those who earn for yourselves ..." Pink: "And share with friends!" Pet with attitude: Pac-Man himself, even though he seems too happy to be. Berserk Buttons: Do you know that teddy bear in the world 5? Go-karting with BOWSER: The four ghosts are playable. Childo Cheerful: PAC has become one. This is also the first game in which Pac-Man has a completely different look. Power feeding: During minigames, players can use Power Cookies to increase their chances of winning. Thompson, T. Doi: 10.1109 / cig.2008.5035655. Instead of a warrior who fights against the attackers, shooting municipal, the character of Pac-Man chews his way to victory. For 1981, approximately 250 million pac-man games they played in the United States every week on 100,000 Pac-Man machines.
